Mr. Sea,

During our phone call on Thursday, August 3, I agreed to provide you with additional information concerning the NRC Staff's activities pursuant to the National Historic Preservation Act. You specifically asked for a list of letters the Staff sent to various parties as part of the Section 106 consultation process. A list of the letters with their ADAMS accession numbers is attached to this e-mail. Additional information concerning the Staff's 106 consultations can be found in ADAMS under docket number 07007004. Using the search term "106" may help narrow the search.

You also mentioned an e-mail you had sent to Matt Blevins, Senior Project Manager for the environmental review, concerning being kept informed of the implementation of the consultation process. It is my understanding that you have been added to the distribution list for documents related to the consultation process.

Finally, you asked how the NRC will investigate and study the potential earthworks on the DOE reservation at Piketon. Please be advised that the NRC's investigation and evaluation of the impact of the proposed ACP on cultural and historic resources will be documented in the draft environmental impact statement (DEIS) associated with the ACP. The DEIS will be available shortly for public review and comment.

Counsel for NRC Staff
